COLLEGE OF
COMPUTER SCIENCE & MANAGEMENT
B.C.S., B.B.A., B.B.A (C.A.)

Affiliated to University of Pune & Approved by Govt. of Maharashtra
S.No. 13, Katraj - Dehuroad Bypass, Ambegaon (Bk.), Pune - 411046
Mobile : 88888 61734 / 95794 01385

PROSPECTUS

ABHINAV EDUCATION SOCIETY'S

Abhinav Education Society (AES) was established in 1999 with mission to impart quality education in Information Technology and Management studies. It is registered under Society's Registration Act 1860, and public charitable Trust 1950.

All of us are looking forward to make India prosperous. This dream will come true only when the Organizations grow. Abhinav Education Society has zeal to grow. Abhinav Education Society is an institution which is progressive and futuristic. It promotes high quality education by employing innovative methodologies to promote learning.

The Society has reached out to rural areas and has been instrumental in providing higher and technical education to less privileged children. Our Institutes include D.Ed., BEd., MEd., Law College Pharmacy College, College of Computer Science & Management And Research (M.C.A., M.C.A.) College of Engineering & Technology, Abhinav English Medium School (C.B.S.E.) & also Yashwantrao Chavan Maharashtra Open University (YCMOU)

The Abhinav Campus at Ambegaon, Constitutes of the total 50 Acres area under the Educational Institutes of the Society. The magnificent building houses spacious classrooms, Labs, Multipurpose hall and other facilities for the students.

VISION :
Our vision is to provide a practical approach towards emerging trends of Computer Science, and Management Studies.
We focus on Comprehensive study practices, in order to impart, ongoing skills to our students and to make them a Pioneer in the fields of IT and Management Streams.

ACTIVITIES :
We provide our students with all kinds of extra curricular activities such as Sports, Activities, Cultural Events, Traditional Days, Software Exhibition, Paper Presentation, IT Quiz, Seminar, Industrial Visit, Annual Gathering and Academic Tours. Apart from this we have our own N.S.S. Unit.

INFRASTRUCTURE :
Our Building is well equipped with spacious classrooms, seminar halls, Auditorium, Library, activity room and placement cell, research centre, and Computer Laboratories.

LIBRARY :
Over 5000 Text books and reference books, newspapers, management and computer journals and Periodicals of national and International repute. A separate reading hall for peace and tranquility.

COMPUTER LABORATORY :
A computer lab equipped with 120 Dualcore Terminals. Global connectivity with internet access to keep in pace with the latest happenings & development of the corporate world.

Capability Enhancement Schemes:

1. For Competitive examination.
2. Career counselling
3. Soft skill Development.
4. Remedial Coaching
5. Bridge Courses.
6. Yoga and Meditation.
7. Personal Counselling.

B.B.A SYLLABUS: Duration (3 Years)

SEM I	Business Organization and System Business Communication Skills Business Accounting Business Economics (Micro) Business Mathematics Business Demography and Environmental Studies	SEM II	Personality Development Business Ethics Human Resource Management and Organizational Behaviour Management Accounting Business Economics (Macro) I.T. in Management	SEM III	Supply Chain and Logistics Management Entrepreneurship Development Business Law Research Methodology (Tools and Analysis) Specialization- I Specialization- II

2. Career Counseling

Our college organized career counseling sessions by addressing the students, including their interests, abilities, values, personality, background, and characteristics. The session was inaugurated by the Principal of College through Career Counseling experts as well as students to know and recognize the corporate world & work in order to make career, educational, and life decisions.

Career development is more than just deciding on a profession, what job student want to get when they pursue a degree. The goal of Career Counseling is to not only help students to make the decisions they need to make now, but to give the knowledge and skills need to make future career and life decisions.

Career counseling sessions provides guidance to the students to have a clear glimpse on what to pursue and how much time and it takes to complete the course and also helps the students in their career planning, preparation for selection tests, internships and final placements.

3. Soft Skills Development

"In education of children, it is not learning but the very being that is in point"

The main objective of this session is to develop the personality and soft skills amongst the students. Our principal will organize such programs to increase our students for their future. Along with the technical skills, personality and soft skills of an individual is of crucial importance. Work ethic, soft skills, communication skills, emotional intelligence are the personal attributes important for career success.

The goal of this session is to enhance the personality and soft skills amongst the students. We will try to build and develop our communication skills, group skills, student's public presentation skills, critical and creative thinking, emotional skills and positive thinking, our efforts will be to improve these skills by conducting group discussions, presentations, mock interviews, case studies, role plays, team building, lateral thinking, problem solving etc.

4. Remedial Coaching

Faculty members encourage and offer solutions above and beyond the regular classroom lectures. Various requests of students pertaining to subject related matters, concept clarity, challenging topics and additional practice questions are addressed. Faculty members enhance the efficiency of the students, who struggle in their studies and is a for students who have been unsuccessful in the examination.

Education aims not only to nurture the excellence already in an intelligent person but also to uplift the weaker one so that all students are equipped to safeguard their interests in changing circumstances.

Remedial Coaching is organized in our college with a view to improving academic skills among the students in various subjects and raising their level of comprehension of basic subjects to provide a stronger foundation for further academic work. It also helps to strengthen their knowledge, skills and attitudes in such a way that initiative, and qualitative techniques are involved so that proper guidance and training provided under the program may enable the students to meet up to the level necessary for pursuing higher studies efficiently & effectively.

7. Personal counseling

As per the instructions received from Savitribai Phule Pune University, Our College organizes a lecture on personal counselling through which students are acquainted with a trained person in a safe, caring and confidential environment. Apart from this, each faculty has minimum of a class of a spot with the students who feel like to come and discuss their personal problems.

Counseling allows individuals to explore their feelings, beliefs, and behaviors, work through challenging or conflicting situations, identify negative life areas that they would like to change, become aware of their values and ethics, set personal goals, and work toward their achievement.

Counseling is a confidential and free staff-counselor service.
